“ I remember Gloria as a cheerful, kind and loving spiritual sister. I will never forget the time she invited our family to her house. The house was full of friends and family. Bustling with love and friendship. Gloria and her husband wanted everyone to have a good time at her house. She was such a good cook. I will never forget her and her loving family.

Gloria (Gregoria) Ramirez - April 14 at 09:31 AM

“ I met Gloria when I was 9 years old when we first moved to Pennsylvania, What I remember is how nice she always was to everyone. Anything that you needed she would make sure she helped you wither it was groceries or help getting somewhere or just anything she could do to help her brothers and sisters. I remember how she cooked the food for the assembly's and how she faithfully served Jehova. I didn't see her often as an adult but when i did she always welcome me with her warm arms and seem like she just saw me yesterday and she would always ask how is your mom, how is everyone. She was a great person and will be missed. My condolences to Papo, Naomi, Tito and Becky and all their family.
