“ Adrienne was more than just an employee; she was someone who truly cared. She showed up with patience, kindness, and a heart for the individuals and families she served. Her dedication was seen in the small things: the way she listened, encouraged, comforted, and treated each person with dignity and respect.

She represented the best of PA Lifesharing, LLC: compassion, dependability, and love in action. Adrienne's presence made a difference to us all, and her impact will not be forgotten. Adrienne will always be remembered.
