“ Alina sweet sweet girl. Not only are you a childhood friend to my daughter but the grand daughter to one of the closest people in my life. I am so thankful that I got to watch parts of your life growing up. I am so grateful for the foundations at your church and making that decision early on to love Jesus. I remember clearly hearing about that day because you and my daughter accepted Jesus the same day holding hands in Club Enoch. Later on life wasn't as easy as though Club Enoch days but you made the decision again talking to Grammy to Love Jesus and right now I have full confidence that you are loving Jesus while singing him praises at his feet. Rest easy sweet girl I love you

“ Alina is such a beautiful soul, this has been hard for the entire family I am truly sorry for what you all are going through, I remember when Alina was a baby and so gosh damn adorably chunky, Sam used to bring her over and play with my son 🤗, and every time her mom left the room I would always have the snacks on hand waiting for her, and she would be so excited like as if she knew they was waiting for her. I love you princess.
