Ann was such a beautiful person with a beautiful soul and brought so much light & love to those she cared for. From her infectious laugh to her beautiful smile that would light up a room, it was hard not to be drawn to her. I have so many memories of us that I will cherish forever & I'm so blessed she was apart of my life. I love you so much Ann & you were always like a second mom to us. Thank you for always being here for us, caring for us & loving us like your own.
