

Anton Sellers

July 16, 1967 - March 20, 2026

Anton Sellers, a loving father, grandfather, brother, and friend, was born on July 16, 1967, in Harrisburg, Pennsylvania, to Delores Sellers.

Anton graduated from Dauphin County Technical School, where he studied Electrical Construction and Maintenance. After graduating, Anton proudly served his country in the United States Air Force, reflecting his commitment to service and country.

He lived a life marked by quiet strength, dedication, and a deep appreciation for the simple things that brought him joy. Anton was known for his quick wit and sense of humor. He had a natural ability to make others smile and was always willing to lend a helping hand whenever he was needed.

He found peace and happiness in the outdoors, especially while fishing, enjoying the calm of open skies and quiet waters. He also had a deep love for dogs and rarely went without his loyal canine companion.

On March 20, 2026, Anton peacefully departed from this life to life eternal in Warner Robins, Georgia, joining his mother and his sister, Dawn Sellers, in eternal rest. Leaving behind a legacy of kindness, strength, and love.

Anton leaves to cherish his memory his son, Terrance Sellers (Margaret); his

four grandchildren, Rhyse Sellers, Noah Sellers, Iris Sellers, and Vayda Howells; his sisters, Anita Waid (Edward) and Charlyn Sellers-Jones; his brothers, Lance Sellers, and Vincent Sellers; along with a host of nieces, nephews, extended family members, and friends who will forever cherish his memory.

“ My condolences to the Sellers family as Anton was the most kind hearted individual I ever met. He picked my children up from school, took them to their soccer practices, played street hockey and soccer, and fished with them. My son just said this past Tuesday that he really missed spending time with him. I could not have managed my work schedule without Anton in my life. We will always love and miss you! Rest in peace. “ I can't believe I won't get to laugh with you again. Thank you for so many memories. I'm glad I got to do life with you in it. Even more that my family got to have a relationship with you. Core memories. It's been a while since we saw you but there was a chance. Not having that possibility anymore is heartbreaking. It's a tough loss for all who know and love you. Rest easy, Sir (and behave). I'll love you forever.
My condolences to the family, I am so sorry for your loss.

“ When I heard about your passing it broke my heart and definitely shocked me. Anton you and I were two peas in a pod (as you called it) we made so many happy memories together. From our hiking trips, beach trips, walks in the park, our dog walking dates, to you teaching me how to fish and so much more. Those will continue to be happy memories of you and I. Your sense of humor always made us laugh until we cried. I will cherish each of those memories as well as many more forever.... I will forever be your babydoll as you called me..... and you will be my KISA forever. Missing you is an understatement. Rest easy My KISA!
