

## Ms. Arashae Monet Braddy

August 22, 1995 - May 4, 2019

Arashae, beautiful baby daughter of Angela Braddy and Johnny Johnson, entered this world on Tuesday, August 22, 1995.

As a result of being struck by an automobile at two years of age, Arashae's life was impacted with numerous traumatic, devastating injuries requiring a multitude of surgeries, medical interventions and resulting in permanent disability. With the love and support of her mother, other family members and the medical community, Arashae continued her life journey with a courageous spirit and a beautiful, endearing smile. After a period of time, Arashae was no longer able to speak; however, she communicated very effectively through facial expressions. She loved cartoons; and when she didn't want to be bothered, you got the message!

Arashae resided at several medical facilities over the years. Through all difficulties, her family remained strong, loving and faithful always seeking the best and most effective facility appropriate for Arashae's needs and care. Although the medical profession predicted Arashae would only survive through her young teenage years, she proved them all wrong. She graduated from Bucks County Intermediate Unit 22 in June, 2016. Arashae was "The Warrior" who shared her love with family and loved ones for another twenty-one years after the tragic accident.

On Saturday, May 4, 2019, while at Conestoga View Nursing and Rehabilitation, Lancaster, PA, Arashae passed from labor to reward, free from all pain and suffering. She leaves to celebrate her brief twenty-three years her

loving and devoted family: mother, Angela Braddy; father, Johnny Johnson; siblings, Chance Smith, Corry, Sekou, Naasir, Salih, Niara and Kara Johnson; ; grandmother, Gladys Carter; grandfather, Donald Wilson; paternal grandmother, Barbara Johnson, all of Harrisburg, PA; as well as a host of aunts, uncles, cousins, other family members and friends.
