“ *Otto was a great man and special person. My daughter was Ottos niece and we'd eat ice cream and watch the 76ers together. He was full of knowledge and wisdom and didn't mind sharing it. He was well traveled in the military and loved his family. An all around good guy. He meant alot to Hbg. because he cared.*

Otto Banks I really liked, 1977 Otto banks gave me advice on liquor
licenses. At the time I owned the rights to the liquor license of the
former Times hotel. Unfortunately, i was only 19 and was gunho and
not as experienced as i should of been, cause the agreement to the
the rights of this liquor was only 6 months. I thought i could pull it off.
However the regulations, zoning and all the requirements.
Would take a lot longer for me to overcome! At that Otto did give me
some information on how to get it done. I should of asked Otto to
become my partner or consultant, because i was overwhelmed as to
how to get it done within the time i was?alloted. Yes i had a jewish
investor Mike jacobs. It was a great learning experience! I was always
appreciative for mr. Otto banks taking me so seriously.

“ Otto was a person who shared his unconditional love through helping people. Otto introduced the music of Frank Sinatra to many of us who did not know that music era. I still listen to that era of music today. Otto you earned your Wings. Rest now .
