“ I had the pleasure of working closely with Art for over 20 years. He was a friend, an educator, a caring, loving father and husband. I will always remember are lunch buffets at Your Place, our Christmas parties with Northern NEF and all the companies it became. There was only one Art and he will be missed by all that called him a friend. RIP

“ Art was a wonderful friend always had a smile on his face and willing to help his co-workers when he was asked. I can still hear him ask over his cubicle “Hey Orner what are we having for lunch today?” I missed those days after I retired but not as much as I will miss you my friend!

“ *"I have to remind myself that some birds aren't meant to be caged. Their feathers are just too bright. And when they fly away, the part of you that knows it was a sin to lock them up DOES rejoice. But still, the place you live in is that much more drab and empty that they're gone. I guess I just miss my friend." - From the movie Shawshank Redemption*
