“ I'll love and miss you forever. I'm so glad that I met your grandson and I'm so glad that lead us to cross paths. I remember the first day I met you in the summer of 2013....I was holding your grandson's hand and dragging my feet because he was taking me to meet you and I was so nervous, but you welcomed me with open arms and ever since then you've been nothing but a grandmother to me. I'll never forget everything you've done for me and everything that you've taught me. I love you, grandma....and I've got good hugs and potato salad for you. lol

Until next time....sleep well. ❤️❤️❤️❤️
