“ I am so sorry to hear of the lost of your husband, I am a friend and worked with him in his insurance business, we toiled together and he assisted me in passing my insurance license some years ago, I have only seem him a few times since we lost connections but we recognized and loved our catch-up whether at the gas pump or in the grocery store. I wish you and your family well and I am so grateful for having known him. Beau can finally rest in the bosom of our Lord and Savior Jesus Christ and may God continue to grace you with comfort!
