Condolences to the family. I just found out today of Ben's passing from my wife who also shared alot of good times and memories with Ben. I only new Ben for over 8 years and every time we met at Angies he always brought a smile to not only my face but my heart as well. I loved his laugh. Ben will be greatly missed by my family and by others.

“ Ben will be greatly missed. He would stop in at Angie's Diner and all our regular customers are in shock at his passing. He always loved watching his Las Vegas Raiders during football season! Now he'll have a front row seat with Al Davis... Just Win Baby! Our deepest condolences to his mother and entire family.

“ Awe, this absolutely breaks my heart. Ben was one of the kindest men I ever met. Give him some good music and a cold Coors Light and he was in smiling all night. I knew him and became friends with him while bartending at Dukes in Hershey for many years. He will be greatly missed. 😞

“ My sincere condolences to the family. I can fondly remember Ben walking around town in Palmyra and he was always dribbling a basketball. Such a gentle soul. I am sure he is up there in heaven dribbling a basketball ball. ❤️
