“ I'm going to miss Bertha greeting me as I walked in the door at work. She was a sweet soul. Yesterday I sat in the seat that she would sit in by the window, where I would see her smiling face as I entered the building. My deepest condolences go out to the family. You have lost a true gem.

“ You know I was listening to the word from Temple of The New Beginning and I heard about Ms. Bertha passing. At that moment I didn't know who Ms. Bertha was but the Church spoke highly of her an how beautiful she was. So today I looked at Wallace Funeral Home website and found Ms. Bertha picture an obituary. I said my God! I never knew this angles name however when I saw this beautiful angel we always spoke when passing throughout the city. This angel was so happy and filled with the joy of God. Ms. Bertha aka Angel you will be truly miss with your warm words a smile. My condolences to all of her family. Maria Vargas
