“ Overcome with tears and somewhat at a loss for words I offer my deepest sympathy and condolences to Bertha's immediate family. Charles (her Pricey as she would fondly refer to him), Richard (Rick), Kyle and Kim. As you know in NC we called her "Pete". Pete favored our Dad but was outgoing and talkative like our Mother. She could also cook up a storm like her, too! Pete probably taught her culinary school peers a thing or two. I will miss our phone calls where she'd share family folklore mixed with news of her friends, Pricey being good to her and Rick's taking care of them faithfully. Regrettably most of us Mitchell's from NC, can't travel due to illness, so we can't be there in person. So, Pete's guys try your best to weather this storm and take care. May our faithful God bless and keep you. Love, from the youngest sibling, Barbara Mitchell

“ Charles, Richard and Kim, We were saddened to hear about the the death of our dear sister Bertha "Pete". She was the oldest of twelve children and was always so affectionate and caring. As a young woman she loved to cook. I will miss our phone calls. Praying that God will surround you all with love during this difficult time. With Heartfelt Sympathy and Love Sis. Jannie

*Charles and family,
It is with a deeply saddened heart that your sweet loved one is gone. I now know why our parents gave her Pearl as a middle name. She was truly always a shining gem as a mother and sister. Bertha will be missed!*
