Dear Cousin Betty (Freda), you were such a fun family member to be around. You made us laugh and lightened an otherwise somber mood. Will always remember that about you. You remind me so much of your mother, a favored aunt, you were her twin. May you now rest in His arms, safe from all of life's challenges and sleep in eternal peace. Pray I'll see you on the other side. May God bring your family comfort, strength and peace. Love you family.
