HER STORY CARLA E. HYMON-WILLIAMS

Carla E. Hymon-Williams, daughter of Carl Hollins, Jr. and Snolia Hymon (Stampes), was born March 26, 1958 in Worcester, Massachusetts.

Growing up in life, Carla lived in many places. During her rearing, she was raised to love the Lord in whom she served. She had a compassion for anyone who was in need of assistance. Carla was outgoing, meeting lifelong friends, no matter where she went. She loved to travel, meet people, sing, dance, and cook to mention a few of her compassions. She also enjoyed attending church and she enjoyed life to the fullest. If you were in her presence, you would remember her and she made sure of that.

Working in the hospitality profession for many years, Carla enjoyed cooking as well as feeding friends and family on any occasion. Additionally, she celebrated everything with her family and prepared meals for those celebrations. It didn't matter to Carla how many cooking degrees you had, you could NOT cook better than her. She made everything from scratch and could make a fresh meal out of leftovers in a heartbeat. She turned every small dinner into a feast and all were invited to dinner.

Carla was preceded in death by her sister, Arlene (Arthur) of California. On January 13, 2020, surrounded by family and loved ones, Carla transitioned from this life. She leaves to cherish her memory, six children, Snolia, Shikia, and Shanna Hymon, Shanette Williams, and her beloved twins, Mark and Carla, all of Harrisburg, Pennsylvania; 17 grandchildren; 10 great-

grandchildren, who she loved with all her heart; siblings, Carol Hymon-Huitt, James Hymon (Ingrid), all of Harrisburg, Pennsylvania, Yvonne Hollins-Peterson (Charles), Francel Hollins (Karen), Carl "Trae" Hollins III, Sheldon L. Hollins (Jessica), Courtney L. Hollins, all of New England; as well as a host of nieces and nephews who loved her charismatic enthusiasm for life. Carla will also be cherished by those who called her Mom, Aunt Carla, Miss Carla, Sister, Cousin or whatever endearing name you called her, she was the One! She will be missed! The Family

“ Well, Carla is my Big Sis only because she is older. People loved her, her family loves her, and I love her. My husband felt a special love for her and we are constantly smilingly whether talking to her or thinking about our times together. She will be missed, but never forgotten. She was a force with which to reckon and that puts a smile on whom she knew and loved.
