“ At the age of 12, It was three of us, Me, Carol and Mitzy. We practiced our Jackson Five steps everyday at Miss Della's house on Hamilton Street, and Carol always had to be Michael 😊😭. The last time we talked was about a year ago, we talked for about 2 hours, just reminiscing, laughing and enjoying each other's company. We hated to see you go like this Carol, but Our God knows best. May she rest in bosom of God. My condolences to the Counts and Jones family, and all who loved her 💖
