“Power Check to my Brother”

To the Family Of Brother Charles W Thomas Sr (better known as Bro T in the military world). First of all, I am very sorry for your loss, I had the pleasure of meeting my brother in Ching Chong Korea in 1975 (50 years ago) where we served together at the 4th missel Command unit which was next to the DMZ (North Korea) and not knowing if we were going to make it back to the world (home). We did, and we found each other after he started driving big rigs around the country and stopped in Burlington NC. I enjoyed talking with him every chance I could and visited him at his home and again at the Nursing facility. The last time I spoke with him was December 8th when his team (Eagles) played my team (Panthers) and yes the Eagles won, two weeks later My Brother is gone on to a better place. He is going to be truly missed. Due to the bad weather here, we are unable to make his service. May God bless this family and his friends.

“ It is with heartfelt sympathy to share the loss of of my brother-in-law, “Tommy” ! " During his time here in Fayetteville,NC he became a top rated employee with Atlas Moving Company. He thoroughly enjoyed the many adventures and meeting new people as he traveled throughout the country . I sincerely treasured listening to him share about his many trips ! Family was always important to him and he “wore his heart on his sleeve !” Now that he has transitioned and is with his brother(my husband “Bobby”) , I will share our favorite parting message , “Goodbye for now!”
