

Cheryl Ann Poole Letterlough

June 24, 1961 - November 9, 2020

Cheryl Ann Poole-Letterlough was born in Harrisburg, PA, on Saturday, June 24, 1961. She departed this earthly life on Monday, November 9, 2020.

Our beloved Cheryl was a devoted wife, mother and loving sister who was simply the center of attention of her family. Cheryl received her education at Harrisburg High School, John Harris Campus, Class of 1979. After high school, Cheryl dedicated her life to the CNA profession working with and helping senior citizens. She was an active member of New Anointed Christian Fellowship Ministries and loved praising and worshiping the name of her Lord and Savior Jesus Christ.

Cheryl loved to travel and enjoyed making her famous seafood salad dish. She loved spending time with her close friends and loved ones. She also enjoyed time with her beloved husband David Letterlough watching wrestling and their football team, The Dallas Cowboys.

Those whose hearts she touched received a friendship that endured a lifetime. She welcomed all, friends and family alike, to share nourishment and comfort in her surroundings.

Cheryl's life will be lovingly remembered by her devoted husband, David Letterlough of Asheboro, North Carolina; her five kids, Joshlyn Poole, Savon

Poole, Jaekwon Poole-Ward, Robvon Owens, LaDavia Poole-Letterlough, all of Harrisburg, PA; three siblings, Wanda L. Page, Walter L. Poole Jr. and Michael E. Poole, all of Harrisburg; as well as a host of other family members and friends.

“ Sherri (Cheryl Ann), my love my sister. Today and yesterday and tomorrow and the rest of my life my thoughts will be of you. We were everything. The fun we had. 5 decades. Wow one thing about you.....you never ever wanted to see me sad. Never. You always went out your way to make sure I was happy. We dance We would dance anywhere and anytime. Especially the disco dance the “hustle”. We lived to do the dance “the hustle”. You brought me my first pair of Calvin Klein jeans. You taught me how to drive a stick shift car. I try to figure out why I didn’t know you passed on. I know why. You didn’t want me crying. Again you never ever wanted to see me sad. You are so beautiful to me forever and I can’t wait to see you on the other side in Gods heaven. I know your smile in heaven is so brilliant. Tell my mom and dad I said hi. Tell your mom and dad too I said hi and everyone I love. I remember Sherri you and I sang “Smiling Faces” in Reservoir Park at the bandshell. I think we were 14 years old. We turned it out lol Growing up next door to each other our families were like one big family. The Pooles&Dolemans. I’m God made it that way for our families. We all celebrated life together always. Sherri my head is dipped low and my heart is heavy. I’m going to miss coming by to see you. If you weren’t feeling good I would go sit on your porch. If you weren’t feeling good you would just give me a smile. You knew I loved you and I was there. Sometimes I just sit on the porch and Lady or Money would tell you I was on the porch. I just wanted to be close to were you my Sherri was. Dave I love you man. You could sense the relationship I had with your wife and family. You are a very kind man. Always willing to help anyone. That hat you gave me is my favorite hat and I only wear it on special days when I’m in my vette. Joshlyn I love you. You just like your mom. Thank you for always being there for me my niece. Sayvon, Sherri’s twin you just like her and you have a heart of gold just like your mom. You beautiful and I’m always happy when I hear about all the positive and wonderful things your doing. Money, Unk Darryl loves you. When I would come over to see your mom you knew how much I loved your mom and open the

door and let me in. Lady beautiful lady I love you. I look forward to still coming over to see you. You always have a smile for me and you and your friends are always so nice to me. Thank you it means a lot when people make you feel welcomed. Ravon my nephew I love you. Cubby, Tuga, Mike, Terrence, Trina I love all of you so much. In my thoughts and heart and prayers. Now "Sherri" you gave me so many fond memories and so much fun I'm so proud to say. I could write a few books on all the fun we had. We could sit on the porch forever and it didn't matter how cold or hot it was. We even had our code names for things. Lol. But what will stay in my heart is how you always wanted me to be happy. You didn't want me crying at your funeral (again didn't want to see me sad) we always said we wouldn't go to each other's funerals. You and Pernessa and me. This isn't goodbye. We never said goodbye we said "see you later". "Sherri" I'll see you later..... I do this thing we call life and eventually I'll catch up to you so we can do the disco dance the "hustle " in heaven :)

I'll miss you endlessly. I'll love you forever.

My condolences to all the family members and love ones and friends near and far.

Thank you Sherri for giving me so much joy and happiness.....so so much.....I love you.....

Though no words can erase the sorrow that you feel now Gods love will heal your heart. She will always be with you in spirit. “ My sincere sympathy goes out to the Poole family during this time of sorrow. Cheryl (Sherry) had that un-mistakable voice that always had a humorous chime at the end of her sentences. She was very smart , intelligent and had a way with people that you knew from the door you were not gonna out wit her.

We grew up on the same street. 18th Street. Watching our neighborhood go from houses in the forest full of trees to a concrete jungle full of people from all over the world.

I remember back in the day when her front porch would be full of old heads visiting and we would spy on them to see which one was the boss for the day.

The last time I saw her we made a joke about being in jail. That it was the only place on Earth you could go. Scream and holler all you want. And never be called crazy while you get it all out for that once in a life time.

It's been many years since we have seen each other. But the memories still linger on and they are all good ones. I will remember her always as more than just a childhood friend.
