“ Dear Family, Though the storms of life are raging and the winds and the waves are roaring, we are not in despair; we are not destroyed, for we have an anchor [Who] keep us steadfast, unmoveable, always abounding in the Lord... May the Peacemaker, our Lord and Savior Jesus Christ, comfort your hearts, steady your thoughts, and strengthen your spirits. Prayerfully, Evangelist Linda M. Foster

“ To my Facebook friend you thought you had  
no earth day poem,  
But now I need to tell you I am so glad that  
you were born.  
I wish I could say more in person like a true  
friend,  
But as your mental man, our friendship will never end.  
So here is a poem just because I respect you so much,  
Let just say you have that mental touch.  
Happy Earthday Goddess I wish you a long life,  
And P.S.....your name should have been “PARADISE”!!

I wish you excitement every second of the day,  
Because as your facebook friend you just make me think that way.  
For our friendship will not expire because its trap now in time,  
And that's the best part of how two people remain kind.  
Such a beautiful person such as you makes me understand life,  
And that is one reason you give such beautiful advice.  
Happy Earthday Goddess I wish you a long life,  
And P.S.....your name should have been “PARADISE”!!

I wish you happiness just because you deserve so very much,  
And I can tell because you and the universe are so in touch.  
Never regret the life you have because that life causes us to meet,  
Now, this friendship destiny made for keeps.  
A friendship that will last a lifetime we must never try to hide  
Because when we die we are still friends on the other side.  
Happy Earthday Goddess I wish you a long life,  
And P.S.....your name should have been “PARADISE”!!

The last thing I need to tell you is I pray I go before you,  
Because this is just what a real king tend to do.  
It would be hard to never see that beautiful smile upon your face,  
Because that memory of your will never be erased.  
For you are the constellations of a star that forever shine bright,  
And that's just one of the million things that I like.

*Happy Earthday Goddess I wish you a long life,  
And P.S.....your name should have been "PARADISE"!! ....

“ They say only the good die young, but you my friend, were taken entirely too early. You were always polite to me and mine when we lived on Penn St. Always a fond hello and smile as you walked past my home. Never a bad thing to say to anyone. I hope justice is served on your behalf, as this was the most senseless act of any person I have ever seen in my life. What was gained by it? Nothing but unnecessary tears and heart break by both family and friends. You will be sadly missed by so many people. Rest in Peace Chris.

“ From the moment i gave birth to you i knew you would change my life forever. At times i couldn't tell who was the parent and Who was the child. You were so protective. You watched closely over your brothers and sister and you all would laugh and call yourself laughing at me when i said something young and hip. I would give my life to hear that laugh, see that smile, or just to sit down and talk about everything like we did. You were my son, my heart, my baby. I just couldn't be there to save you from this. I hurt every minute. Mom loves you. Most of all, i miss and need you. Rest well King. Rest Well.
