

Ms. Colleen Marie "Kelly" Evans

May 12, 1970 - August 30, 2019

Colleen Marie Evans, daughter of Jacqueline (Gates) Hoch and the late Earl K. Evans Jr., was born Tuesday, May 12, 1970, in Harrisburg, PA.

Colleen, known as Kelly by family and friends, was educated in the Susquehanna Township School District and was within two months of graduating from the Empire Beauty School, Harrisburg. She was employed by the West Shore Plaza Family Restaurant where she was a hard worker and thoroughly enjoyed her customers. Kelly had a big heart with a gift of loving humor, always funny, silly and making people laugh even when she was upset. This art of making people laugh was a family trait. Kelly didn't know how to stay still; she was always on the move, visiting people, hanging out, going places and taking trips.

Among Kelly's other passions were taking pictures which we are thankful for because now we have lasting memories, spending time at the beach basking in the sun all day while running her feet through the sand, tubing, celebrating Halloween and, foremost, spending time with her family. Kelly was so very proud of her family and enjoyed talking about them. She deeply loved her entire family, her boys, grandkids, siblings, parents; and when everyone got together, Kelly was jovial, content and happy. Just an amazing lady, Kelly was loved by not only her family, but by so many others.

On Friday, August 30, 2019, at forty-nine years of age, Colleen Marie Evans departed this life leaving to cherish many special memories her sons, Dyllon Evans and Tyler Evans; stepdaughters, Chiquita Walker and Shealynn

Walker; stepson, Thomas Walker; eight granddaughters; mother, Jacqueline Hoch; stepfather, George Hoch; brothers, Earl "Butchy" Evans and Brian Evans; sister, Holly Fishel; other family members and friends.

Kelly, you will be forever loved and forever missed. Rest my love; we love you!

“ *I met Kelly while she was working at the West Shore Family Restaurant. She had such a great sense of humor and personality. I am going to miss asking to sit in her section. I would always ask her how school was going and she would always show me pictures on her phone of all the cool projects she was doing. Even though our time of friendship was brief, the times I was able to talk to her and laugh with her met a lot. My heart and prayers are with all of her family and friends during this time. Kelly, thank you for allowing me to get to know you and may you Rest easy.*

“ I had the great honor of meeting Kelly thru our mutual friend Deb, Kelly was such an amazing woman, LOVED HER FAMILY SO MUCH! We were in Deb's vow renewal together and had a blast, we laughed so much, I also went to her Halloween Party a few years ago, when she lived in Rutherford (which she loved living there with her son & his family, and that her brother lived beside them) we had a blast at her Halloween party, Kelly was so so EXCITED to become a hair stylist, which she said she wish she would have done sooner! Her Granddaughters were her world, as was the rest of her family! She was so full of life, and was the happiest person I ever met! Her contagious personality was so amazing, no matter what you were going thru, when you were with Kelly, she made all your worries disappear with LOVE & LAUGHTER!
My deepest condolences to ALL of her family & friends! The world is going to be a little bit more sadder without her in it! Fly High My Friend... I miss you so much already!

“ My Deepest and Heartfelt Condolences are extended to everyone that has shared a part of Kelly's life, rather it was one time or a lifetime. To know her, was to love her. There's no way that anyone could ever forget her contagious smile, bubbly personality or her love of life itself. As saddened as I am to lose such a beautiful soul that I both Loved and Admired, I'm at peace knowing that a Special Man (Jesus) that loved her more and could offer her **EVERLASTING** Love and Peace swept her off her feet and carried her home. Rest Peacefully Chicky and know that you will forever hold a special place in my heart.

“ So many memories! Kelly was the big sister of the "6th Street Crew". She loved and welcomed everyone and even though I was a few years younger, she made me feel like I belonged, just like she did with everyone else. Kelly taught me how to put on make-up and how to use a curling iron and how to style my hair "big 80's style". She showed me how to dance at many of the dance parties on our block, including the Beastie Boys concert, starring Butchy, Paul and Josh, on Ronnie and April's back porch. Hanging out at Blue Mountain Pool, playing Ring-Up and walking to Hattie Harris or just sitting on the front porch of one of the neighborhood houses. I could go on and on with the times spent together. Kelly helped shape the person I am today. I regret not making more of an effort to stay in touch when we moved away. Kelly was a huge part of my life and she took a huge part of my heart. I lost the big sister (Kelly) and the little sister (Bianca) of 6th street, 4 months apart. You will both truly be missed in this world! You will never be forgotten!

To every one who grew up with us, although we have our own lives going on and don't spend much time together, you are all considered family and you are all in my heart and forever will be!

Rest in Peace Kelly!
