I am so sorry for the loss of grandma Connie. I know she was the glue to your family & I understand the feeling that nothing will ever be the same again. I pray that you all find peace in knowing that she's no longer suffering & she has placed her burden with the Lord. I pray that you all are able to come together and rejoice in her transition to a life without any pain , sickness, or worry.

Love yall so much,

“ *To the Jackson & Maddox family!
Mark & I would like to send our deepest condolences and prayers. May God continue to watch over you all during this time. Mrs Jackson was a mother to us, she knew me since I was 8 years old. Our hearts is truly broken. She was a beautiful, strong, classy lady. She always gave us good advice. She loved her family and friends of the family. She would help anyone if she could. She will be truly missed but never forgotten. She earned her wings. May she rest in Peace and in Heaven! Love Always
