“ *I would like to share my condolences with the family of Craig Richardson. Craig and his family have been friends with my family for over 50 years. I will always cherish his family visits, not only in Harrisburg, but to my later home in Southern Ohio. Each time my family returned to Harrisburg, Craig always arranged his schedule so that he was available to spend time with my family. He was a kind-hearted person with a great sense of humor. “ *My husband Curtis and I offer our Sincere condolences to the family and friends of my favorite Birthday Buddy, Craig was a close-by Neighbor, Friend and Classmate from Downey to the Graduating Class Of 1976! , Craig is gone but never to be forgotten. I have so many good memories of Craig's friendship, but my most special memory is of our mothers (my Mommy and Ms Loretta) getting together and realizing that our back yards nearly kissed each other and we were in the same class at Downey for years, that they should combine the birthday parties. We had 4 together and Craig and I hated that, but as we got older, understood that back then, mothers worked their resources. For years and years we would talk about the parties and laugh.*

“ My husband and I will greatly miss our brother in Christ. Walking and praying with Craig these many years in waiting for a kidney match was so rewarding. Our time with Craig taught us a great deal. He shared the necessity of being patient despite the urgent need,, being grateful despite the circumstances, having a loving spirit despite being overlooked. While we will greatly miss Craig, our Heavenly Father has taken care of all of his needs. For that, we are so grateful.

We have no doubt that the Lord greeted him with open arms saying "Well done, good and faithful servant. Well done!"

We wish to also express our hezrtfelt condolences to the family. May you all find solace in knowing your loved one is at peace.

“ One of my very best friends. I hired Craig's limo service to take my daughter and her friends to the prom "The Christian Divas". Never have met such a man of his caliber.

Will miss him dearly with all of my heart.

“ Craig and I go back from the time we both started walking. Craig and I hung out and played baseball and football at the Calvary Field and also on our Northeast Little League baseball team. Some of my best life memories growing up on Calder Street involve Craig, Mr. and Mrs. Richardson (the epitome of kindness and grace), and also Keith and Mark.

Our prayers go out to Keith, Mark, Craig's sons, and all the family. Even though it's been more years than I want to remember I can still hear and see Craig's laugh in my head and feel it in my heart.

May God bless and watch over Craig and all the family.
