“ Brother, guess who is turning 21. We used to laugh about what we were going to do about her. We always ended it with We are going to let her be her. I miss you so much. I thought I had another 20 years with you. When you called me and said you wanted to go home, I omg. I just want to have a conversation with you. Life. In this realm, without you in it, is nothing. You kept it spicy. Lol. My brother, I miss you soooo much.

“ I can't believe you've been gone for 3 weeks today. I miss you so much! A part of you will always be in my heart, but at least you're whole again and you're not suffering anymore, and that gives my some peace. Keep watching over me and your family until we meet again! I LOVE YOU!!

“ Honey, I'm very thankful for the 18 years we had together. We had our share of challenges, but our love for each other always got us through. I know you'll watch over me and help me through this difficult time, but right now I miss you so much, especially your "grin" when I walked into the room! I'll love you forever and will continue cheering on for your Cowboys!!

“ I thank god for allowing me to become closer to my dad over the past 6 years. I knew him not only as a parent, but a friend as well. I will never forget the dummy missions, endless phone calls, and constant laughs. Rest in Paradise old man. 💕💕 We'll meet again one day.
