

Danny T. Lansanah

March 9, 1980 - April 2, 2026

Danny T. Lansanah, son of Ida Marie Mobley and the late Benedict Daniel Lansanah, was born on Sunday, March 9, 1980, in Harrisburg, Pennsylvania.

Danny graduated from John Harris High School. He had been employed in several roles, but his employment with the United States Post Office was where he loved to work the most.

He was known for his strength, his loyalty, and his unwavering love for his family, always showing up, always standing by their side. He was always the life of the party. He loved money, shopping, music, dancing, traveling the world, and chicken.

Beyond his toughness, he had a personality that brought light into every room. He shared laughter, gave advice in his own way, and created moments that his family will carry with them forever. Whether it was through humor, honesty, or simply being present, he made sure the people he loved knew they mattered.

On Thursday, April 2, 2026, Danny departed this life, receiving his wings. He was preceded in death by his father, Benedict Daniel Lansanah; his grandmother, Bertha Mae Anthony; his grandfather, Ballard James Anthony; his brother, Johnny S. Queen; his nephew, Rashaad Gallmon; his niece,

Yadaya Queen; and his cousin, Tayelynn Cooksey.

He leaves to cherish his memory his loving family his mother, Ida Marie Mobley; his stepfather, John Mobley; his siblings, Ahmad Sharif Queen, Lakita Queen, Aisha Crawford, Michael Crawford, Dorothy Queen, Brandon Lynch, and Danny D. Lansanah, all of Harrisburg, PA; his sister, Danielle Lansanah of Detroit, Michigan; and his uncle, Manny Lansanah of Windsor, Canada; his nieces and nephews, Yaneshia, Rashinay, Paishe, Reminisce, Mikia, A'lyra, Ma'shiya, George, Christian, Dominique, and Terrell; along with a host of aunts, uncles, cousins, and friends.

His memory will live on through the stories shared, the lessons he taught, and the love he gave so freely. Though he is no longer with us, his impact will never be forgotten.

A service to honor his life will be held at Medan Beyesus Evangelical Church on Saturday, April 18, 2026, from 10:00 a.m. to 12:00 p.m.

“ *Danny wasn't just my friend; he was my brother. He was the kind of person you could always count on. If I needed help moving, painting, or just him riding to the grocery store, Danny was there every time!*

Now, I can't lie... sometimes I think he showed up because he knew there was food involved. We loved to eat!

We shared many laughs and good times over the years. What hurts the most is that we didn't have more time—more laughs, more rides, more of his slick mouth, more of those regular days that didn't seem special then but mean everything now.

Danny, you were truly one of a kind. And yeah... I'm still a little mad you left like this—oh, and you still owe me. I know you'd probably laugh if you heard me say that, but until we meet again, say hi to my peeps!

Rest easy, my brother. I love you, and I'll miss you.

“ To My Friend for over 30 years, I'm going to miss you pulling up on Woodbine asking me am I still feeding the neighborhood. Us sitting out front talking about everything that came to our mind. Reminiscing about our childhood. And where we are now in life. I never thought I will be writing one of these for you friend. This is so heartbreaking to do knowing that now I only have our memories. The comedian that you was kept me laughing for hours. All I can say now is that I will never forget you. You will always be a part of my heart. Check on me from time to time, I'll be waiting. To the family, you all have my deepest condolences and Danny's passing. I will keep all of you in my prayers and hoping that with time things will get easier.

“Danny was the best child on the block to play with growing up, Uptown. I couldn't wait to finish homework so we could play on my grandmothers porch with our toys . Even though he was a little older he never allowed any bullying or mean spirited play to transpire. The rule was you always shared and played fair. He was the boss and he didn't take any mess. I remember us playing until the street lights came on. He will forever be edged in to my core Childhood memories of better days when communities somewhat looked out for one another and the village existed. Bless him and those impacted by his loss.
