“ *Back when I seen Darion at City Island in 2022, Thats been my friend since 3rd grade and we really bonded off of the color green as youngins💚, as we got older every time we seen each other there was never any love lost and he did a back flip for me everytime. He never missed a happy birthday and he was the first people to even get me comfortable enough to have a drink downtown. Rest is paradise to one of the most genuine souls I've ever encountered*

“ MESSAGE OF CONDOLENCE:

To: The Family of Mr. Darion Drayton.

Grief can offer a time of special growth becoming more aware of the importance of living each day to the best of our abilities and not to look forward to the changes of this life in fear. It can also be a time of loneliness and isolation. But the Holy Scripture say: “Blessed are they that mourn, for they shall be comforted.”

May it be a source of inner strength to know that there’s a loving God watching over you, and that, throughout this time of need, He’ll stay close by your side.

May the love of God bring you peace during your time of bereavement.

*With Love and Deepest Sympathy,
LaShella Chambers Johnson & Family*
