“ *My dear cousins Stephanie and Amanda, please accept my genuine condolences of the demise of your father and my cousin. Darnell meant a lot to to me and all of his family and friends. He inspired me to learn more about who “we” really are and I’ve always appreciated his passion for family. Please accept my apologies for not attending his service, but be assured I am with you all in my thoughts and spirit. I shall miss him always, May his soul find peace in heaven! GOD bless.*

“ *It’s so sad that Darnell was struck down at only 66 with pancreatic cancer. Darnell was my neighbor at Seneca Pointe Condominiums in Havre de Grace, MD. He was a nice man and a good neighbor. We will miss him.*

Seneca Pointe will not be the same without Darnell’s smiling face & good chats. We became friends over his years in Havre de Grace. Miss him!

Darnell was my next door neighbor; we saw each other almost daily, and he was always kind, friendly, positive, and truly a gentleman. He was a good influence on my son and a perfect neighbor. My family and I will miss Darnell and his infectious smile so very much.

“ *Stephanie, Mandi and family,*

We can always look back and say what we should have done, but I truly wish I'd known your dad before our 2010 introduction at our July event. Just a little conversation with Cousin Darnell let me know he was focused and tenacious in anything he undertook. He was so knowledgeable about so many issues. Above all else, he loved his daughters and was quite proud of you.

In his last note to me he was determined even in the face of death to maintain himself as he chose and not succumb to doctors and drugs. He is sorely missed.
