“ Today because of sickness, old age or unforeseen occurrences we lose our loved ones. And because of that some asknis this all there is to life, to grow old, get sick and die? Is this what our creator wanted for us? The Bible gives satisfying answers to these questions. A god of love does not use Death to separate families. The scriptures plainly shows that Death is our "ENEMY" that will be destroyed by God.(1corinthians15:26). Also the Biblle gives hope for our dead loved ones. (John 5:28&29). During this time, God's the Bible can be a great comfort for you and your family. You can read these scripture and many more online at www.jw.org

“ My deepest sympathy for the loss of your dear loved one. The loss of a loved one is very painful, something I know personally. What helped me was my knowledge of the Bible. I learned from the Bible is that it was never God's purpose for us to die. Thats why at 1 corinthians 15:26 Death is call God's Enemy. Also God is going to do away with sickness and Death. (Read Revelation 21:3&4. John 5:28&29 gives us a hope for our loved one. These are the scriptures that helped me, I hope they help you also. All these scriptures can be read online at www.jw.org
