“ I am so sorry my deepest condolences to the family i just found out today she was my friend and i will truly miss her

“ To the family of Diane "Lady Di" Holloway, I am so sorry to hear of your loss. I had the pleasure of meeting your mom when we were in the 3rd grade at Woodward Elementary. Earlier this year at the Manna Café, I saw her for the first time in many years. When she finally realize who I was she began to cry. She had a sweet, sweet spirit. Hold onto your memories, hold onto the love that she gave and know she will live in your hearts forever. I pray that God will continue to give you the peace of all understanding. God bless you.

“ Aunt Diane I am truly going to miss you. I am really going to miss you texting/messaging me, even if it was just to tell me that you love me. My heart is heavy as I am typing right now, but I wish I could've told you that I appreciated you. I appreciated how you allowed Amber and myself to stay with you from time to time every summer and for being a good aunt. Thank you, I love you and you'll forever be in my heart.
