“ Darryl, My deepest sympathies to you and your family. I was so saddened to hear about Donnie's passing. I first met Donnie in elementary school at Upper Allen in Mr. Mark's class. We sat next to each other and spent entirely too much time laughing. He just had the best sense of humor. We would often run into each other over the years and could pick up right where we left off. I only have fond memories of Donnie as he had such a light around him. I am so sorry for your family's loss and will continue to send prayers of love and healing.

“ God, help me with this... I been knowing Donnie for around 18+ years. From dating to being best of friends. Donnie was just always there for me. We went on the road together, well mostly I slept lol to looking forward to his dad's home made ice cream. To watching little Donnie play pee wee football from the parking lot. To him loosing his mom and his dad keeping her voice on the answering machine. To loosing his dad. I know my thoughts are all jumbled. I guess what I'm trying to say is Donnie was a constant in my life, and I don't know what I'm gonna do without my best friend. I still pick up the phone to call you Donnie, damn I miss you

“ Donnie met him in high school. Right away enjoyed all our fun times and also taking care of him with his sports related injuries. Enjoyed our many talks after high school as well and still taking care of him when he needed things. Please rest in peace. No more pain! Continue to watch over us. Till we meet again.

“ *Bro I remember meeting you in 86 and just remembered trippin with you right away. Then hanging out in Canada after the football game was the funniest weekend I've ever had. Rest easy bro! God bless the entire family.*

“ So many painful days of our loved ones being called home. Donnie you were a great friend, Father & Grandfather. You will be missed dearly. Wonderful moments we shared together will be cherished always. And as my husband and I made a promise to you in front of God to take on the responsibility as your children's Godparents, just know I will honor that role. May your soul rest in peace and you and my husband can watch us all from above.
