“ *Dearest Liz and family,
I just learned of your brother’s transition. Holding you and your family in prayer as you walk through this deep loss. May you all feel God’s nearness in the quiet moments and know that your brother’s spirit rests in a place of peace and wholeness.

“ *Don was such a kind person. He was like an uncle to me. He was around my whole life being my uncle’s best friend. He cared for me as child when my sisters and I came from Michigan for the summer. He and I would walk to pick up Meagan from school. Don would take us to the park, feed us and make sure we had a good time until my uncle came home from work.*

May he rest in peace
