March 27, 1958 - October 16, 2014

Donna M. Haskins

Donna Marie Haskins was born Thursday, March 27, 1958, in Harrisburg, Pennsylvania, to Elizabeth Haskins who passed away shortly after Donna's birth. She was lovingly raised by the late Joseph King and the late Ruby Hubbard King.

Educated in the Harrisburg School District, Donna's career path included employment with Bagel Lovers, Rite Aid Corporation and the Greyhound Bus Company. Donna was a devoted, supportive and sacrificing mother who was always there for her children. She enjoyed cooking, baking, and she especially loved relaxing in front of the television watching "Dr. Phil" while enjoying a slice of her delicious pineapple upside-down cake.

On Thursday, October 16, 2014, at her home in Harrisburg, Pennsylvania, Donna transitioned from this earthly life into eternal life. In addition to her birth mother and parents who raised her, Donna was preceded in death by one sister, Janet Haskins; two brothers, Roosevelt and Joseph Haskins.

Donna leaves to celebrate her life and cherish memories of shared times together, one son, Anthony "Tony" Haskins; her devoted daughter, Donna Darnese Haskins, both of Harrisburg; two sisters, Theodosia Eddy-Smith of Philadelphia, Pennsylvania, and Queenie Webster of Catlett, Virginia; four brothers, James Nyce, Michael Bailey (Mabel), all of Harrisburg, Richard Hall of Carlisle, Pennsylvania, and Joe King of Atlanta, Georgia; as well as other family members and friends.
