“ To Diamond Hodge and Family: We share in your grief at the passing of your Mom, Doree Clark. We find peace in knowing that your hearts, during this very difficult time, will be comforted by the Same God Yesterday, Today and Forever. We also believe that the Holy Spirit will help you to remember that the prayers you and your Dad, Derrick Hodge, prayed for your family since you were very young and the teachings you've heard about the Lord, Jesus Christ, will remain a foundation for your life in the days and years ahead. We also trust that God will help you to remember how devoted your Mom was to you, your family members, friends and to all those she loved and served.
