“mommy I will never forget your tight hugs, when u would say, *te quiero con toda mi alma, cuidame la nena,(Arlene)*...you would say " *tu eres mi nena mas linda, ""gracias por todo'*, I'm going to miss running my fingers thru your hair...making you special meals..hearing u say,"leave a meshehege" when I wouldn't answer the phone...your beautiful smile and special mommy scent is etched forever in my heart..the pain and heartbreak I'm experiencing will be forever for me...mom..mom...mom...oh mom, why did you have to leave me....I love you mommy...forever more
