“ Mom, you we're very special to all of your
children, we were very close, we are all
missing you a bunch. I just want you to know
that you were a mother to all, and loved by
everyone, you were always helping someone
somewhere, that was your calling. God decided that your work here
on earth is done, and he was ready to take you home with him. It's
okay mom, you have earned Your wings, and now you're free RIP
my sweet Angel, we will always love you.
