Aunite words can't explain the void in my heart when God called your name. No matter where I was at in life no matter good or bad you always celebrated me and not just tolerate me. So many times you opened your home and prayers to me. You always told me no matter what "Me-chel" God loves you! It was a honor to call you my aunt, & friend. We share the same Birthday week and I will continue to celebrate our birthday. You were the only person to call me "Me-chel" love you but I will see you again in paradise!

Love
