“ *A Prayer of Comfort*

Dear Lord,

We ask you to comfort those in our family who are grieving. You are the God of compassion, extending mercy to the brokenhearted.

We have great need of you in this sorrow, when all our hopes for a happy future have been shattered into a million pieces.

Be merciful, O Lord, and continue to remind us that you are the source of all our hope and peace. In the name of Jesus, Amen.

Our prayers continue to be with you and your family.

“ *The end of a rainbow
At the end of a beautiful rainbow,
Lies a place of wonderful glow.
A place where the angels all the day sing,
Where their music is the colors the rainbow
will bring.
A place of everlasting love and prosperity,
A sanctuary of forgiveness and unity.
And our loved ones are waiting at the rainbow end,
To hold us dear once again.
To wipe all our tears away,
To tell us they've missed us everyday.
After the dark and rainy sky,
You'll see a rainbow and know why.
And if you wonder where the end may go,
You'll know heaven awaits at the end of a rainbow!*

“ *A young man in his prime
Has gone into eternities time*

*We know not why
The young have to die*

*But we know and understand
That all things are in Gods unchanging hand*

*And He will mend all things that hurts in life unfurl
And will bring comfort and peace to all love ones of Earls*

*He knows that sadness that deaths separation does bring
For He knows all and sees everything*

*And He is touched by each tear that is cried
He hears all anguish in the questions when someone had died*

*He is not an uncaring and un-hearing God looking down from above
He is a caring and compassionate God filled with kindness and love*

*Still we ask the question why
Do the young have to die*

*And God looks down with love in His eyes and on His gentle face is
a smile*

*As he Answers and says because it was his time and I sent the
angels for my child*

*And he did not travel the journey alone
For my angels brought him safety to me in his heavenly home*

“ You will be missed EJ. I keep reminiscing on how you got that nickname, Ezell. You always knew when to pop up. So homie I gotta light up that candle. Never forget them games of basketball at one of our cribs. Them eye brows raised with that contagious smile. Them jokes we'd all share as kids with each other. "Somebodies getting slayed", meaning is on, and the roast was on and poppin. Then the lives we shared as men. Sessions at Josh's. No regrets! You are a man among men for eternity.
