“ Ann was an awesome woman of God. To me she was an angel in disguise and always greeted you with a smile. She loved her children so much and would secure their needs before her own . Some times we question God about why we go through trials, but God calls some of us to Glorify Him in our sufferings so that the world may know that He is God and the depths of His Love 💕 I Glory in the fact that my cousin has received a greater reward for her suffering and has her Crown as promised. Children hold on to each other and remember and follow the path of your mother. Love 💕 Archie
