“ To George Luckette and family, I first met Emma in 1969. On corner of South 16th St and Swatara St. We started a conversation that led to a life time of friendship. We worked together for 10 years at Amp Inc. and one thing everyone knew when the work day was complete dont get in Emma's way she was on her way home to watch General Hospital and nothing got in her way. We shared so much about family and the folks we knew. Emma, the pleasure was all mine to have known such a friend as you that remained through out the years. God has a jewel in his arms. We will miss you from the earth but not from the heart. Love ya! Mim
