“ The first time I met Gordo, he was singing. Holiday by Madonna. He was 5. One morning while I was waiting for day nurse, he was 7 or 8 and I heard this sweet little voice saying “Angi, Angi , Angi” I went to his bedside and said, “It sounded like you said my name!” He responded with “I did!” I took care of him overnight for 12 years. Every night, after he was settled for sleep, I would say “You know I love you?” He would blink ‘yes’. I would say, “You know I adore you?” He would blink ‘yes’ then I would say, “You know I wish you nothing but sweet dreams?” Then he would roll his eyes as if to say ‘enough already!’ Then I would tell him, “I love you to the moon and back. You, sleep, now.” I love you forever, Gordo!❤️❤️
