“Blessed are those who mourn, for they will be comforted.” Matthew 5:4

Missing my beautiful best friend, Tine! I will miss our talks and laughs, going to Hollywood and S & D, doing things with the kids. I knew I could call you and you would always be there. Who knew that by my sister Poochie dating your cousin Kevin, that we would meet and not only become friends, but sisters. So many things we shared, even having all our kids around same time. I had Destiny then few months later you had Lyric. I had DaeLonna and the next day you had JaSiah at the same hospital. You had little Jason and a month and one day later, I had Little Dion. You were a good, loving mother and a strong woman. It hurts me that you are not here, but in my heart I know you are in a better place not suffering anymore. Lyric, JaSiah, and Jason I love you, I'm here, and I am praying for you. Please know you are not alone and you are loved. I pray that God will send you comfort and peace, and the strength to go on and be all and everything that you want to be and all that your mom hoped for you all to be.

Prayers and Love to all the Jones/Love family
