“ One of the many things I will never forget about uncle Errol is his love of singing... It's a MEYERS thing for sure. We really thought we were doing something getting on that mic and singing our hearts out. He made us all feel like we all could sing, be it the truth or not. My mom use to say "You're a true Meyers, all ya'll think you can sing". We laughed about it in your final hours. One of many laughs. Fond memories remain. No more pain.
