“ I was sadden to her the loss of Ms. Francis. She always kept a warm smile along with a quick response. She kept me on my toes. We would talk time to time and share info amongst the kids (now young adults). I have had the pleasure of knowing her for the past 12 or so years. She will be missed. My heartfelt condolences go out to the family. May she rest in heavenly peace.

I was so sadden to hear the loss of Ms. Francis. She was a beautiful person. She kept me on my toes she always had a warm smile along with information to share. My heartfelt condolences to her daughters. I've watched them grow up right before my eyes. She would always light up when you would ask about the girls in passing . May you rest in peace Ms. Francis. You will be missed.
