“ Frankie was a wonder person and a terrific employee. She always beat me in to work. I'd come in a 5 am and she would already be there and have things started, the floors swept and produce ready to display. She never missed a day of work. I still find it hard to believe she's gone. In the mornings I still expect to see her when I arrive at work. She will be deeply missed.

Very sorry to just hear of Fran's passing. She use to come into our office now and then and I would run into her and the West Shore Matket. RIP dear lady.
