“Cousin, this is truly a heartfelt loss. Emphatically, a hurt piece. My heart aches for you, the children, grands, greats and family. Peanie was awesome! He was a good man! He was hard-working and always put his family first. Peanie was gentlemen. His smile would bring energy to his audience. His laughter was distinctive and unique. His infamous one liner kept me in stitches. You may not this, I relish to watch him walk. Peanie was one of the slowest waking human beings that I had ever seen (smile). Lamentably, he will be truly missed. Keep GOD first. We love you and we will always be there for you.
