“ Brooklynn was talking about how Uncle Fred would take her out back and show her his garden and also when a pepper was riped. I remember when I was little and we all lived on 5th St and he stayed in the basement. We would pick him up from his job at Jackson Lick Apartments. Also there use to be a photo of us together on the front porch at Easter and him holding me up in the window seal. I'm gonna miss being able to call and talk to him when life throws crap my way. Love Arielle and Brooklynn
