“ I am sorry to hear about the loss of Mr. Baylor. My thoughts are with the family at this time. Death is a constant enemy and the Bible describes it as such. During these hard times and harder ones that follow, please turn to God's Word for his promise to do away with death and the hope of seeing Mr. Baylor again. God has not only the power but also the desire to resurrect persons whom he chooses. Jesus Christ himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John5:28, 29; Acts 24:15.
