“ *God’s Garden*
God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God’s garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, “Peace bethine”.
It broke our hearts to lose you
But you didn’t go alone,
For part of us went with you
The day God called you home.

Mom every time you cross my mind, I smile and give thanks to God for giving you rest, sweet rest. You never complained, you never got weary in well doing. Your mommy have fought the good fight, and you no matter how you felt your were one tuff cookie and finished the race but most of all mom you kept your faith. God is light and the light shines on darkness and the darkness can never overcome the light. Thank you mom for being who you are. I’m who I am because of you. I love you, I miss you but, most of all I’m excited for you because you are full of pleasure and joy for evermore. To God Be The Glory!
