“ Aunt Gertrude was a wonderful person to sit down with a cup of coffee, some iced tea, a snack or just to talk. But I will remember her most for her kind words and sincere prayers while I was facing some of life's difficult challenges. Thank you, Aunt Gertrude, for every prayer and every word of encouragement.

“ R.I.P. Aunt Gertrude. I know where you are going. You were such a good person and a great woman of God. I know He was right there with you when you passed to take you to Heaven. Thank you for all the nights you sat with my mommy when she needed you most. She came to see you a couple days before you went home but you were asleep. She really loved you.

Love,
Brandi
