“ Peaceful Greetings to My Sisters Family and all who loved her. Apostle Gladys we have known one another since we where young girls, her Mother was the first black woman I knew who had her own business, for years. One of my sisters use to date her Brother Pee Wee(cannot recall his birth name at this moment). When my Mothers apartment building went up in flames Apostle Gladys opened her door to my family, she had her two daughters at that time. Even then she did all she could to help others, a God Loving young lady.
I want to share more, Next time.
Sisters/daughters, my family and other families loved your mother.
Respectfully Sister Malikah and the Poole,Muhammad families

“ My prayers and condolences to the family. Apostle Gladys Sigue was instrumental in my life, she gave of herself, training and teaching me in ministry. She would give all she had to make sure those around her were good. She loved the Lord and was serious about others learning to serve the Lord. She was truly a prophet, I am living out the words the Lord used her to tell me all those years ago. I am forever grateful that our paths crossed! Evangelist Victoria.
