“ I'm so sorry to hear about Grover's passing. He was one of those rare souls who could light up a room with his humor and warmth. Always genuine, always true to himself—he'll be missed by so many. I know that God doesn't make mistakes, and while we'll feel the loss here on earth, I'm sure Grover's spirit has found a special place in heaven. My heart goes out to you all during this time of grief. Praying for peace, comfort, and the understanding that comes with knowing he's in good hands. Love Shawn Wilson.

“ I worked with Grover for 30 years or more. He was a good guy, always willing to help if you needed it. I considered him an expert on boxing and always enjoyed talking to him about different fights. My thoughts and prayers go out to his family during this difficult time. Mark Goodling

“ Please accept my condolences on the passing of Grover. I’m still shocked and deeply saddened. He was my best friend in high school, sharp, loyal, and full of quiet strength. We walked to school together, joked around constantly, and shared a bond I will never forget. I still laugh thinking about our month long standoff after he turned off the television during Thriller and said, “You’ve seen it enough today.” Imagine telling a Michael Jackson fan that! I was furious and he refused to apologize until he finally did. That was Grover, stubborn, funny, and big hearted. I will always cherish his friendship.
